## Description

This luxury Itama's style remains unique and inimitable: this exquisite yacht is "designed by the sea". Recognizable by her Italian design and incomparable Mediterranean spirit, she has an elegant and a sporty line. Itama 62 is powered by twin 1360 hp MAN V10 engines, capable of achieving a top speed of 40 knots. Contemporary design, bright interiors and optimal use of space are the innovative features of this new addition to the Itama fleet. There is a practical external free-standing shower, which is removable and provides maximum comfort even in open air. The immediate sensation on going below decks is of great liveability, with a spacious dinette with C-shaped sofa. The airy, nautical-style interiors reflect the classic Mediterranean traditions of the brand's heritage. The dinette table can be lowered to create a fifth bed, so you can always be ready for an extra guest. The master cabin is placed traditionally at the bow while the guest cabins are in the full-beam aft area. They all roomy and spacious, with large wardrobes, soft carpeting and elegant leather upholstery on the bulkheads and headboard. All the guest cabins have en-suite bathrooms with separate shower compartments, and elegant teak flooring which sets off the light-coloured interiors.
