Description

Mochi Long Range 23 motor yacht – designed and built at the Ferretti shipyard, the Mochi Long Range is a true mini-ship offering an exceptionally versatile layout with a fantastic private foredeck seating/relaxing area, making her perfect for cruising in the utmost comfort and safety. This beautifully maintained and privately owned example was sold new by us to the current owner – she has always been crew maintained and winter stored undercover. With the feeling of a larger yacht she has 3 cabins for 6 guests including a full beam master suite. In addition to the aft crew cabin there is a Captain's (penthouse) cabin on the bridge deck which can be utilised as a 4th guest cabin if needed. This Mochi Long Range is fitted with the highest build specification featuring the Diesel/Electric Hybrid mode for cruising or anchoring in silence. In addition she has 5 control stations, zero speed and underway stabilizers, 2 wide opening salon side doors, the enclosed galley option, upgraded navigation and entertainment systems. British registered and tax paid. Early viewings and offers encouraged.
