## DESCRIPTION

---

Very rare on the market! 2019 yacht, meticulously maintained and in near-new condition, measuring just over 15 meters overall (approximately 45 feet) with 3 cabins. Fully ready for the 2025 season, with antifouling and engine servicing completed in spring 2025. This vessel is exceptionally well equipped, including solar panels, bow and stern thrusters, a Raymarine navigation package, a Fusion audio system with Sony and Samsung TV setup, and a 71,000 BTU reversible air conditioning system. It also features a complete lighting package covering the saloon, cockpit, underwater lights, side decks, and bow, as well as a hydraulic swim platform and a hydraulic passerelle. The Greenline 45 Fly is a yacht that combines pleasure with environmental responsibility. Designed to deliver optimal comfort, it offers three beautiful cabins, a spacious flybridge, and a modern interior finished with high-end materials. Thanks to its solar panels, it optimizes energy consumption while ensuring smooth and quiet cruising. Ideal for seaside getaways, the Greenline 45 Fly blends elegance, autonomy, and sustainable technology for an unforgettable experience. Must be seen quickly given its exceptional condition.
