Description

This Dominator 780 S-Deluxe Hull No.8 is one of the Best from the whole production line on the water, a proven Yacht. A perfect example of Italian knowhow in terms "Luxury design integration" from famous T4Design cabinet(Enrico Gobbi). Fashion Style has been Built commercially since its launch, sailing successfully privately with its first and sole owner since her launch, this yacht has demonstrated its attractiveness and reliability in the time and remains for today an “eye catcher” along the wonderful Italian coast. After ten seasons, the Yacht remains in a very clean overall condition, thanks to a low use and careful maintenance program of its permanenet captain onboard. A real opportunity in the 80footer range, for this excellent Flybridge sportsline Yacht with four cabins layout, three crew with an extremely generous Flybridge.
